# ID POLICY

All students of W.R. Thomas Middle School are **REQUIRED** to wear a current school identification card (ID) at all times while on school property in order to ensure student safety. Students must NOT alter, deface or allow any other student to be in possession of their ID. All students will receive an ID and lanyard on the first day of school free of charge as well as all incoming new registrations or transfers. After official school pictures are taken, students will then receive another student ID free of charge for a total of two (2).

In the event that you lose your ID, a temporary ID sticker and/or a replacement ID & lanyard may be purchased before school in the Main Office 8:30 am – 9:00 am. A temporary ID sticker is good for one school day only. Temporary ID stickers, replacement IDs and lanyards will only be sold prior to 9:00 am. Students without an ID are subject to disciplinary action and exclusion from activities, incentives, and rewards.
